Who Must Make Estimated Tax Payments

Tax-exempt corporations, tax-exempt trusts, and domestic private foundations subject to tax under section 511, as well as domestic private foundations subject to tax under section 4940, must make estimated tax payments if the total estimated tax for the tax year (Form 990-W, line 10a) is \$500 or more. Use Form 990-W (Worksheet) to figure the organization's estimated tax liability for 2022.

When To Make Estimated Tax Payments for 2022

For a calendar or fiscal year organization, the payments are due by the 15th day of the 4th (the 5th month for private foundations), 6th, 9th, and 12th months of the tax year. For a calendar year organization, the payments are due by April 18 (April 19, if you live in Maine or Massachusetts), June 15, September 15, and December 15, 2022, except that for a calendar year private foundation, the first payment is due on May 16.

Underpayment of Estimated Tax

An organization that doesn't pay the estimated tax when due may be charged an underpayment penalty under section 6655, at a rate determined under section 6621(a)(2).

Overpayment of Estimated Tax

A corporation that has overpaid its estimated tax may apply for a "quick refund" if the overpayment is at least 10% of its estimated income tax liability for the year and is at least \$500. To apply, file Form 4466, Corporation Application for Quick Refund of Overpayment of Estimated Tax, after the end of the corporation's tax year, and no later than the due date for filing the corporation's tax return (not including extensions). Form 4466 must be filed before the corporation files its tax return. For more information, see the Instructions for Form 4466.

Federal Tax Deposits Must be Made by Electronic Funds Transfer

You must use electronic funds transfer to make all federal deposits (such as deposits of estimated tax, employment tax, and excise tax). Generally, electronic fund transfers are made using the Electronic Federal Tax Payment System (EFTPS). If you don't want to use EFTPS, you can arrange for your tax professional, financial institution, payroll service, or other trusted third party to make deposits on your behalf. Also, you may arrange for your financial institution to initiate a same-day wire payment on your behalf. EFTPS is a free service provided by the Department of Treasury. Services provided by your tax professional, financial institution, payroll service, or other third party may have a fee. To get more information about EFTPS or to enroll in EFTPS, visit *www.eftps.gov* or call 1-800-555-4477. Additional information about EFTPS is available in Pub. 966, Electronic Federal Tax Payment System A Guide to Getting Started.

Deposits on business days only. If a deposit is required to be made on a day that isn't a business day, the deposit is considered timely if it is made by the close of the next business day. A business day is any day other than a Saturday, Sunday, or legal holiday. For example, if a deposit is required to be made on a Friday and Friday is a legal holiday, the deposit will be considered timely if it is made by the following Monday (if that Monday is a business day). The term "legal holiday" include any legal holiday in the District of Columbia.

Refiguring Estimated Tax

If, after the organization figures and deposits estimated tax, it finds that its tax liability for the year will be more or less than originally estimated, it may have to refigure its required installments. If earlier installments were underpaid, the organization may owe a penalty for underpayment of estimated tax.

An immediate "catch-up" payment should be made to reduce the amount of any penalty resulting from the underpayment of any earlier installments, whether caused by a change in estimate, failure to make a deposit, or a mistake.

Specific Instructions

Form 990-W (Worksheet)

Private foundations. Private foundations required to make estimated tax payments for both the excise tax on net investment income and the unrelated business income tax must use a separate worksheet Form 990-W for each tax. Private foundations figuring the estimated tax payment for the excise tax on net investment income should skip lines 1 through 9 of this worksheet. For information on figuring the excise tax on net investment income, see *O. Figuring and Paying Estimated Tax* under *General Instructions*, in the Instructions for Form 990-PF.

All organizations. See Form 990-T, Exempt Organization Business Income Tax Return, and its instructions for information on figuring unrelated business income, deductions, and credits for purposes of completing Form 990-W.

Proxy tax. For purposes of Form 990-W, the estimated tax doesn't include the proxy tax imposed by section 6033(e).

Line 2—Corporations

Generally, a corporation figures its tax on the amount on Form 990-W, line 1, using the 2022 Tax Computation for Corporations worksheet shown below.
