

Global Reach. Refined Creativity. Proven Impact.

Welcome The True Branding Aboard! Our designs last more than how trends change!

At Palettal Design Studio, creativity meets strategy to bring your brand to life. We specialize in crafting compelling visual narratives through innovative design solutions. From branding and graphic design to UI/UX and social media aesthetics, we ensure that every element reflects your brand's identity and vision.

Thank you for connecting with us for your design requirements for your brand. We look forward to building a long-term relationship that helps your brand grow its digital and online presence with our creatives.

With this company profile, we will help you know more about us and how we can contribute to the proposed scope of the project. As we shake hands for the greater good of your brand.

Let's create something extraordinary together!

Design so good...

Even your competitors might 'accidentally' copy them!

Palettal Design Studio is where creativity meets strategy to craft compelling brand identities and digital experiences. We specialize in turning ideas into visually stunning and impactful designs that resonate with your audience.

With a passion for innovation and an eye for detail, we help brands establish a strong presence through creative excellence. Our approach is simple: we listen, we strategize, we design, and we deliver beyond expectations.

Whether you are a startup looking for a fresh identity or an established brand seeking a design revamp, Palettal ensures every project is crafted with precision, creativity, and a unique touch.

Serving Clients all across the world, mainly in India, UK & USA.

A Little bit about Palettal & from where we come : With a portfolio of 200+ premium clients worldwide with over 10+ years of experience, we deliver elevated creative solutions across industries and geographies. We have been a trusted creative partner for 6+ years to Sri Sri Ravi Shankar Vidya Mandir, a distinguished network of 125+ institutions in India and abroad.

Our work also supports The Art of Living, the world's largest volunteer-based NGO operating in 185+ countries, contributing to transformative initiatives such as Art of Living Free Schools and the Gift a Smile project—impacting 1,20,000+ students across 1,356+ schools. Select creatives have been featured on the official platforms of Gurudev Sri Sri Ravi Shankar ji, a globally respected humanitarian leader guided by the vision of One World Family. Our creatives have been showcased at landmark events across India and internationally, including Sūkhbaatar Square, Mongolia, and trusted by leading Indian brands such as Tata Motors, Parle, Voltas, and Mahindra.

Internationally, our presence spans elite platforms including the National Convenience Show (Birmingham), Glastonbury Festival, premium festivals and retail spaces across London, the UK, and the USA, and prestigious jewellery exhibitions such as Vicenzaoro (Italy, 2023 & 2024), INHORGENTA (Munich), Fashion Paris 2024 – Jewels & Watches at Pavillon Vendôme, Hong Kong International Diamond, Gem & Pearl Show, and the Istanbul Jewelry Show—with JCK, The Venetian Expo, Las Vegas, next on our horizon.

A global creative studio with a luxury sensibility, cultural depth, and enduring impact.
