CAREER OBJECTIVES:

I am a dedicated and innovative Front-End Developer with 2 years of experience building efficient and scalable web applications using React, Next.js, JavaScript, and TypeScript. My eagerness to learn and problem-solving mindset help me create modern, responsive, and user-friendly solutions. I aspire to grow into a Full-Stack Developer, using my skills to build impactful and high-quality web applications.

CORE SKILLS:

HTML, CSS, JavaScript, Bootstrap, TailwindCSS, React, Node.js, Express.js, MongoDB, Mongoose, TypeScript, RESTful API, JWT, Daisy UI, Zen UI, AWS. Good Communication, Hardworking, Quick Learner, Time management

PROFESSIONAL EXPERIENCE:

Junior Executive, Front-End Developer - Softvence, a concern of Betopia Group (Dec 2025 – Present)

- Develop responsive and high-performance web interfaces.
- Convert UI/UX designs into clean, user-friendly web pages.
- Integrate REST APIs and dynamic features with backend systems.
- Work on real-world client projects, solving UI challenges and improving overall user experience and performance.

PROJECT:

Blood Donation(Jan 2025–Mar 2025)

[Live](#) || [Client](#) || [Server](#)

A blood donation platform connecting donors with individuals, hospitals, and organizations in need of blood. Built with React Router, Tailwind CSS, Firebase Auth, MongoDB, Express.js, and Jodit React.

Features:

- **Admin:** Full access to manage users, blood requests, and content.
- **Donor:** Register, view donation requests, and donate.
- **Volunteer:** Volunteers can view and manage content, but cannot delete or publish blogs, unlike admins.

Marathon(Jan 2025–Jan 2025)

[Live](#) || [Client](#) || [Server](#)

A marathon management platform for event creation, participant registration, progress tracking, and updates. Built with React Router, Tailwind CSS, Firebase Auth, MongoDB, and Express.js.

Features:

- **Event Creation and Management:** Organizers can easily create, update, or delete marathon events.
- **Personal Dashboard:** Participants can manage registrations and track progress.
- **Real-Time Updates and Notifications:** Receive timely updates on event status and important changes.

EcoBazar(Sep 1 2025–Oct 28 2025)

[Live](#) || [Client](#)

EcoBazar is a modern e-commerce platform for eco-friendly products, featuring a responsive and scalable front-end design.

Features:

- **Responsive UI:** Clean, user-friendly design optimized for all devices.
- **Product Experience:** Detailed product displays with smooth animations and fast client-side navigation.
