EXPERIENCE

Theresa Boakye Design

UX DESIGNER & RESEARCHER

Erie, CO
Jan 2025 – present

- Conducted mixed-methods research including stakeholder interviews, competitive analysis, and card sorting to inform architecture and design decisions
- Designed user flows and wireframes for web and mobile experiences focused on clarity and usability
- Conducted usability testing and iterated on designs based on user and stakeholder feedback

Selected Clients: Kick2Build Soccer Club · Arvada Adventist Church

Staffing Referrals

UX CONSULTANT

Boulder, CO
Nov 2025 – Mar 2026

- Mapped behavioral patterns across admin, recruiter, ambassador, and candidate workflows using filtered Hotjar recordings to surface friction
- Conducted recruiter interviews and competitive benchmarking across ten B2C and B2B referral programs
- Audited platform communications and delivered a redesigned set aligned to new branding

Fawoho

UX DESIGNER

Erie, CO
Jun 2023 – Dec 2024

- Audited ecommerce experiences across the purchase journey, surfacing friction and translating findings into design recommendations
