PROFILE

Thoughtful and driven Experience Designer with a passion for crafting intuitive environmental designs. Skilled in identifying user pain points, streamlining workflows, and collaborating across teams to deliver practical, effective solutions. Always ready to dig deeper to create seamless and meaningful design choices that balance business goals with accessibility standards and create a positive community impact.

WORK EXPERIENCE

Aug 2025 **Graphic Design Intern**
Dec 2025 **Reevo Creative Design Agency**

Developed product designs for various clients with a creative team. Integrated UX research and client feedback to align with company goals and create engaging products. Published an updated company website on WordPress with a team.

Feb 2023 **Technical Operations**
Dec 2025 **OSVES, Belmont University**

Adhered to event guidelines and procedures by arranging technical needs with a team of professionals. Operated with event coordinators and clients to meet client deadlines and produce engaging event spaces.

June 2025 **Design Intern**
Sept 2025 **Austin Free Press**

Published a fresh and effective yearly review concept covering the progress of the company's projected goals. Proposed branding logo changes and web layout changes for better UX engagement.

June 2026 **Fine Dining Server**
Present **Hillstone Restaurant Group**

Delivered attentive service, emphasizing personalized guest experiences. Collaborated with kitchen and bar staff to ensure smooth service flow and high customer satisfaction in a fast-paced environment.
