

Rawan Aliliwi

UX/UI DESIGNER | UX RESEARCHER | ARCHITECT

✉ rawan.aliliwi96@gmail.com [Portfolio](#) [Rawan Aliliwi](#) 📍 Nekvägen 23, Stockholm 📞 (+46) 73 697 18 93

Product Designer with over 2 years of experience in user-centered design, ideation, prototyping, and visual design. Skilled at transforming complex financial workflows into intuitive, seamless user experiences. Passionate about collaborating cross-functionally to deliver innovative design solutions aligned with business goals.

EXPERIENCE

UX/UI Designer | Internship [↗](#)

📅 Grand GRC (Advisense Group) 📅 Nov. 2024 – Mar. 2025

Grand AI Compliance develops automated GRC (Governance, Risk, and Compliance) software as part of the Advisense Group, a European leader in GRC solutions serving nearly 700 financial institutions.

- Conducted extensive user research to ideate and validate innovative product designs for financial governance and compliance.
- Created detailed interactive prototypes and managed design systems using Figma, ensuring consistency and scalability.
- Collaborated closely with developers, product managers, and stakeholders to deliver user-friendly financial software solutions.

UX/UI Designer [↗](#)

📅 Freelancing (Barnloppis i Deje) 📅 Aug. 2024 – Oct. 2024

- Developed intuitive dashboards and booking systems by effectively translating user research into interactive design solutions.
- Managed complete product design cycles from ideation to launch, enhancing operational efficiency and user satisfaction.
- Collaborated cross-functionally to ensure seamless integration of designs.

CareerFoundry

📅 Case Study Projects 📅 Dec. 2021 – Jan. 2023

Delivered comprehensive product design projects involving research, wireframing, prototyping, and user testing for web and mobile applications.
