Subject: Heartiest Congratulations on Securing Four Guinness World Records

Dear Mr. Manish Bansal

It was a matter of great pride and pleasure to receive your letter dated January 17, 2026, sharing the news of Rajpath Infracon's historic achievement on the Greenfield 6-Lane Access-Controlled National Highway Project (NH-544G).

On behalf of the Board of Directors and the entire team at Janakalyan Sahakari Bank Ltd., I extend our heartiest congratulations to you, your Board, and every member of the Rajpath Infracon family for securing four Guinness World Records.

The scale of this feat—laying over 52 km of asphalt continuously over 148 hours—is a testament to your company's engineering prowess, meticulous planning and relentless work ethic. It is truly inspiring to see an Indian firm setting such high global benchmarks in infrastructure development.

We are honoured to be your lending partner and are deeply gratified that our support has played a role in your journey toward this milestone. Such achievements reinforce our commitment to supporting organizations that are literally and figuratively "building the nation."

We wish Rajpath Infracon continued success in all future endeavours and look forward to a long and mutually prosperous association.

With warm regards,

Santosh Kelkar

Mr. Santosh Kelkar
Chairman
