SET

STUDENT ENHANCEMENT TRAINING

SET basically woven for teachers- student learning system. In the responsive classroom approach, and experiential learning it is very important to note that how a catalyst influences today's students. With the support of SET we can use our language acquisition to help students can develop positive relationship and self control and make them understand life skill and communication is the prior important matter on that through life skill only we can make students self confident on communication.

TET TET

TEACHERS ENHANCEMENT TRAINING

Through IEP and quality benchmarking, TET focus on targeted professional training to teachers on filling actual learning gap found in students through capacity building of teachers in classroom performance. Teachers make this change using a framework known as “**Understanding by Design**”. It provides a valuable opportunity for the school fraternity to gain a clear, impartial evaluation and analysis of the school’s strength and weakness.

School Adoption Programme

The test of our progress is not whether we add to the abundance of those who have much. But, it is whether we provide enough to those who have little". NILA envisage to establish active, participatory, cooperative, academic support to school under public education protection mission . The project seeks to build resilience and life skill among students by helping them to develop their own space by supporting community growth through social action and knowledge acquisition.

Leadership Development Programme

The LDP provide a string of learning and training experiences that blend pragmatic and academic learning, with hands-on exercises focused on developing future leaders. Given the rigor of this type of programme the LDP demands a significant commitment by participants. To fully benefit from the LDP, it is vital that participants show initiative in self-development, and presume accountability for this learning prior to committing themselves to the LDP.

WE CAN'T

EDP Training focuses to enhance a professional entrepreneurial culture amongst the students and equip them with skills and self-confidence to be an entrepreneur by facilitating entrepreneurship qualities, to nurture their talent and develop the major values of curiosity, time management, strategic therapy, efficiency, Resilience, etc.

" I wish to say my NILA is a special pearl given by God to me and my Govt. Tribal LPS Edappana . It flows to Edappana with lots of love and hides enough surprises. It teaches me the magical influence of love in teaching and administration. The way the Director, the manager, and staffs select to reach the mind of people is like a stream, that soak the earth and help to grow fruitful plants.

My words are not enough to share my love for NILA, Thank you NILA.
