COVERAGE HIGHLIGHTS

Covers the cost of repairs for mechanical breakdowns of covered components, including failures due to defects in material or workmanship. Coverage also applies to failures resulting from wear beyond manufacturer specifications.

Covers all original factory-equipped mechanical and electrical components, or equivalent replacement components meeting manufacturer specifications, except those excluded. Replacement parts may include OEM, non-OEM, remanufactured, or like-kind components.

Repairs must be performed at the selling dealer if within 100 miles; otherwise, an approved facility with authorization

(See contract for full listing of covered parts.)

OPTIONAL SURCHARGES

Available when selected at time of purchase:

- Payment Reimbursement
- Battery
- Lift / Electronics / Commercial & Farm Use / Snorkel (atv/utv) / Clutch

ADDITIONAL NOTES

- Pre-authorization required prior to repairs (unauthorized repairs are not covered)
- Diagnostic charges covered when associated with an approved repair
- Coverage applies to breakdown of covered components only

LIMITS OF LIABILITY

- Per repair visit: limited to JD Power value or actual cash value at time of breakdown
- Total contract: cannot exceed vehicle purchase price

EXCLUSIONS

- Maintenance items and normal service
- Damage from environmental conditions (rust, corrosion)
- Damage from misuse, neglect, improper maintenance, collision, impact, fire, or accident
- Non-covered modifications (unless surcharge applied)
- Pre-existing conditions
- Repairs performed without prior authorization
- Diagnostic and tear-down charges for non-covered repairs
