

WHY INVEST IN APPEARANCE PROTECTION?

PREVENTION:

Appearance Protection provides maximum coverage for your investment's treated surfaces by utilizing the latest technology advancements in surface products.

PRESERVING RESALE VALUE:

Maintain your vehicle's condition and protect its trade-in value with Appearance Protection. A great appearance is often a deciding factor for buyers.

PROTECTION AGAINST ELEMENTS:

Appearance Protection helps shield your investment from environmental factors like sunlight, bird droppings, tree sap, and pollutants that can damage painted surfaces, ensuring your vehicle stays looking new for longer.

EASY MAINTENANCE:

Treated surfaces are often easier to clean and maintain. Stains and dirt are less likely to adhere, making it a breeze to keep your investment in top condition with minimal effort.

REPAIR OR REPLACEMENT:

If damage occurs to a covered exterior painted surface, interior fabric, leather, or vinyl, we'll repair or replace the damaged area at no cost to you. It's that simple.

WARRANTY HIGHLIGHTS:

Comprehensive Coverage: Enjoy peace of mind with repairs fully covered for eligible damage.

Expert Service: Professional repair and detailing services to restore your vehicle's appearance.

Limitations/Exclusions: Coverage is subject to terms outlined in the "WHAT THIS LIMITED WARRANTY DOES NOT COVER" section.

This is a general outline of coverage for marketing purposes only and does not constitute your contract. Actual terms and conditions may vary by state. See your contract for complete provisions, limitations and exclusions.

From enhancing aesthetics to preserving resale value and providing easy maintenance, our coverage is designed to deliver long-term savings!

INTERIOR + EXTERIOR APPEARANCE PROTECTION

POWERSPORT

CARBON CERAMIC POLYMERIC COATING

The Carbon Ceramic Polymeric Coating Protection safeguards treated exterior surfaces from a variety of environmental hazards, including weather-induced fading, UV exposure, oxidation, hard water etching, bird droppings, tree sap, road salt, de-icing agents, acid rain, insect damage (such as love bugs), accidental spray paint overspray, and industrial fallout.

This protection ensures that any damage caused by these factors is repaired free of charge. Repairs may involve professional detailing or mobile repair services before repainting, providing a comprehensive solution to maintain your vehicle's exterior.

WITH OUR APPEARANCE PROTECTION, YOU PAY \$0!

✦ CHROME PROTECTION

Shields treated chrome surfaces against:

- Weather-induced fading, UV exposure, and oxidation
- Hard water etching, bird droppings, and tree sap
- Acid rain, insect damage, accidental spray paint overspray, and industrial fallout

Benefits:

- Free repair of any affected chrome area to the fullest extent possible

✦ ALLOY WHEEL PROTECTION

Guards alloy wheel faces from:

- Corrosion and surface abrasion

Benefits:

- Free repair or reconditioning of cosmetic damage to wheel faces

Note: Coverage excludes bent alloy wheels

✦ HEADLIGHT PROTECTION

Prevents headlight damage from:

- UV exposure and environmental hazards that cause fading or yellowing

Benefits:

- Free repair of damaged headlight lenses

✦ WINDSHIELD PROTECTION

Reduces risk of damage from propelled objects

Note: No warranty coverage is provided for windshield protection

✦ LEATHER PROTECTION

Protects leather surfaces from:

- Permanent stains, UV exposure, and temperature extremes
- Rips, punctures, and burns

Benefits:

- Free repair of damage caused by stains, UV exposure, or temperature extremes
- Free repair or replacement of damaged seating surfaces due to rips, punctures, or burns
- Repairs may involve professional reconditioning before considering upholstery inserts or seating component replacement
