

YOUR TRUSTED OEM & ODM SUPPLIER

OF PREMIUM KITCHENWARE

WHAT LYH IS STRONG IN

LYH combines design expertise, manufacturing strength, and end-to-end support to deliver reliable solutions for global housewares brands.

Ready ODM designs

Trend-led, market-ready designs that save time and speed up your product launch.

Hong Kong design + China production

Creative design in Hong Kong backed by efficient, quality-controlled production in China.

Mixed programmes

Combine ODM and sourced items in one collection across kitchen, dining, home, storage and bath.

Full process support

From design and sampling to production, quality assurance, and delivery.

MANY LINES.

50+ YEARS OF HISTORY.

Since 1975, LYH has been designing tools that make everyday cooking simpler, smarter and more beautiful. From a **wide range** of essentials to iconic designs that have stood the test of time - our collection blends heritage craftsmanship with **contemporary thinking**.

TEA

ODM & SOURCING

Combine our ready designs with items we source to build a more complete range.

Ready ODM designs

Distinctive tools from our lines.

Complementary sourcing

Proven items to complete the collection.

Added value

Stronger than a basic range from pure traders.

Add our ODM designs to the items we source so your collection is **more complete** than a basic range.

For more information, please visit: www.lyh.co

HOW IT ADDS VALUE

Basic sourcing only - standard items from pure traders.

Limited to standard, off-the-shelf items with little design differentiation.

LYH mixed programme - ODM designs & sourced items.

ODM designs bring originality and standout style, combined with sourced items for a complete, high-value collection.
