A UI/UX And Product Designer with 2 years of design practice and 1 year of professional experience. I specialize in user-centric, visually appealing digital products and have experience in Branding, mobile app design, and UX research. I'm eager to bring my skills and creativity to innovative projects.

Work Experience

Product Designer - UI/UX | Bitroot

JUN 2024- PRESENT

- Created cohesive brand identities and intuitive UI/UX designs for platforms like Zipline Club, reflecting core values such as innovation, agility, and user empowerment.
- Designed user-friendly experiences for internal platforms like Evalme, optimizing the hiring process by streamlining assignment evaluations.
- Contributed to developing project management tools, ensuring efficient workflows and a seamless user experience for team collaboration and task tracking.

Graphic & UI Design Intern | Intent Global

JUL 2023 - FEB 2024

- Assisted in creating visually appealing client creatives, collaborating with the design team to ensure alignment with brand objectives and project requirements.
- Designed user-friendly web pages and interfaces, focusing on enhancing user experience and improving overall functionality.
