AUTO PROTECTION

Imagine this scenario: You're rushing out the door, ready to start your day, and suddenly, you realize you can't find your car keys. Maybe they're lost, maybe they're stolen, or worse—maybe they've stopped working altogether. It's stressful, inconvenient, and can quickly become an expensive problem to solve.

But what if you had a simple, affordable solution that could save you from the headache of replacing your keys or remote?

Problem:

Keys and remotes are more than just metal and plastic—they're the gateway to your vehicle, and in today's world, they come with advanced technology that makes replacement costly. Without coverage, a lost or malfunctioning key could cost you hundreds of dollars to replace, not to mention the hassle of reprogramming and the downtime without your vehicle.

Solution:

That's where Choice Key Protection comes in!

For less than of the cost to replace a set of keys one time, you can protect yourself against the unexpected cost of replacing your vehicle's keys or remote. Whether you've lost them, they've been stolen, or they've become inoperable, we've got you covered.

Choose from two affordable plans:

Plan 1: Up to \$300/year in replacement costs.

Plan 2: Up to \$700/year in replacement costs.

With coverage that starts just 45 days and 1,250 miles after purchase, you can drive with confidence knowing that if something happens to your keys, you won't be left stranded.
