

CHOICE

AUTO PROTECTION

Drive with Confidence, Protect Your Investment

Protect your vehicle's tires and wheels with our comprehensive Tire & Wheel Protection Plan.

Plan Highlights

1. Tire Protection:

Covers repairs or replacements for damaged tires from road hazards or curb impacts.

Valid through the tire's tread life (5/32" or more).

2. Wheel (Rim) Protection:

Covers Repair/Replacement of wheels damaged by road hazards or curb impacts.

(Optional) Repair/Replace with remanufactured wheels of like kind and quality.

3. Chrome Wheel Coverage:

Chrome or chrome-clad wheels are protected. Must be selected at the time of purchase.

4. Cosmetic Wheel Repair/Replacement (Optional):

Covers minor cosmetic damage to wheels, including curb rash or flaking paint.

Limited to \$600 during the agreement period.

5. Mounting and Balancing:

Covers the fair market price for mounting, balancing, valve stems, and tire disposal for any tire replaced under the plan.

Why Choose Our Protection Plan?

Peace of Mind: Drive knowing that unexpected tire and wheel damage from road hazards is covered.

Convenience: Access to a network of licensed repair facilities. (location assistance available)

Comprehensive Coverage: Includes repair replacement costs for tires and wheels, with options for chrome and cosmetic repairs.

Exclusions

Misuse, lack of maintenance, racing, or collision.

Tires with a tread depth of 5/32" or less.

Repairs not preauthorized by the Administrator.

Aftermarket wheels not covered unless specified.

Your Responsibilities

Maintain proper air pressure in all covered tires.

Regularly check tires for proper pressure, signs of dry rot, and wear.
