BEKA KVARATSKHELIA

PRODUCT DESIGNER

With 3 years of experience crafting digital products across SaaS, crypto and enterprise platforms, I lead with structure, design with purpose and collaborate across teams to ship thoughtful, scalable user experiences.

WORK EXPERIENCE

SENIOR UX/UI DESIGNER

NextBil Tech | 2023 - 2025

- Leading the creation and expansion of scalable design systems for M88's iGaming platforms, improving consistency, usability and team efficiency across multiple products.
- Designing and refining UI/UX for high-traffic gaming experiences.

PRODUCT DESIGN CHAPTER LEAD / LEAD DESIGNER

Moncero | 2023 - 2025

- Promoted from Lead Designer to Chapter Lead. Managed a team of 4 designers across SaaS Products;
- Designed UX for platforms in HR, hospitality and crypto, including Nordom Gate - a Telegram-based game with over **7 million** users.

UX/UI DESIGNER

Xcode International | 2022 - 2025

- Created wireframers, prototypes and high-fidelity designs for websites.
