CHARGES AND ALLOCATIONS

Each unit and production has dedicated parking areas and vehicles allowances, below are the costs and what counts as a production vehicle. We do not charge for cars in our car park.

UNITS	COSTS
Single vehicle (excludes cars)	£20
15 -24 vehicles	£300
25 - 29 vehicles	£350
30 - 34 vehicles	£400
35 – 39 vehicles	£450
40+ vehicles	£500

- All production vehicles are charged if they stay parked overnight
- Every extra 5 vehicles past 30 will incur an extra £50 charge.
- Browsers, Genny's, Trailers & Eco Pods count as one vehicle.
- No charges for any vehicles in your allocated stage space on the canopy road. Anything parked on the canopy road not in your stage space will be charged as singular.
- Only production vehicles allowed on canopy road no cars
- Canopy Road has a 10-minute loading/unloading time.
- If you have Unit 3B,3D or 3E hired, get 4 spaces included outside of this unit for any vans or skips parked overnight
- If you have workshop 1,2,3,4 or 6 hired then you get one overnight space included in the price for either a skip or production vehicle.

BILLING SCHEDULE

Parking logs will be separated into 'production' and 'unit base'

FOR PRODUCTIONS

You be sent this from the start of the booking and this will include any production/art/costume vans, prop & construction vehicles. This will sent out monthly from our finance team to the production team to bill.

- If you are based on site on and unit basing with us long term throughout your production then you will receive the log at the end of each month.**
- If you are a short term booking, you will receive your log to bill with a week of when the booking ends.**

BILLING SCHEDULE

Parking logs will be separated into 'production' and 'unit base'

FOR UNIT BASES

Once your unit is booked in and unit location allocated this is when your unit base log will start to be produced. This will be for any unit or location vehicles, trailers and tech trucks. Please note to tier system to see what includes as a 'vehicle'.
