TAKE NOTE

We provide free body collection within the Kokstad and Qumbu boundaries. For areas beyond these boundaries, additional transport costs will be the responsibility of the family.

As part of our service, Magaqa Funeral Parlour will wash, dress, and keep the body at no extra cost. Members qualify for full benefits after completing the 6-month waiting period while still alive.

To receive full member benefits, the deceased member must be kept at Magaqa Funeral Parlour. If the body is taken to or kept at another funeral parlour, Magaqa Funeral Parlour reserves the right to reduce or withdraw certain benefits and rights.

Premiums are determined at the start of the policy based on the member's age category. Members aged 18 to 64 will remain on the applicable premium for that category. Once a member reaches the age of 65, the premium will automatically change to the applicable 65 to 75 age category.

All these changes will be effective from 1 June 2026.
