

WINJAN **BOULDERS**

AUTHOR JASON
GIRDLESTONE

Access

The road to access the Winjan Boulders is Quicke Rd Pauls Valley. Depending on which way you are travelling on Mundaring Weir Road turn right or left onto Asher Road. After about 400 metres turn right onto Quicke Road. It is a dirt road and is barely sign posted. Drive down Quicke Road trending right for 1km. If you are driving a standard car park just before the turn off on the right where the road has a large fork in it. Walk the 4x4 track from here. If you are in a 4x4 turn right at a small cairn and follow the track slightly down hill trending left for approximately 1.5km till you reach a tee junction which is the Mundabiddy trail. Turn right and after 400 metres turn left, this is the Winjan track and follow it for 1km and park on the left where there is a small cairn and clearing GPS co-ordinates Elev:226m S31'57.324' E116'08.503'. From here head east down hill for 400 metres. The first boulders you reach should be boulders A,B and C. It doesn't look like there should be any boulders but they start popping up and there is plenty to play on.

About The Boulders

The boulders are all granite and the majority of them with solid holds. A great range of angles and grades. Most of the boulders see shade and have good landings. For all the project hunters out there this is the place to be. If you want to get your hands and wire brushes dirty there are heaps of boulders to clean with easy and really hard problems to go.

All first ascent initials. J.G -Jason Girdlestone. C.G - Claire Girdlestone. G.L - Glen Ludlam.M.R- Matt Rogers. A.G - Angus Griffin. A.C - Andy Conlin. S.G - Sylvia Galea. J.C - Joe Conlin. A.P - Allan Pryce.
