Your Modular, Magnetic, and Masterfully Curved LED Solution.

Vertex is our versatile rental LED display series, crafted for high-performance indoor and outdoor applications. With magnetic modular design, seamless stitching, and ultra-high grayscale, it delivers exceptional clarity and adaptability. From curved setups and circular modeling to quick maintenance and energy-efficient operation, Vertex adapts to every stage, every space, and every story. Equipped with IP65 protection, wide viewing angles, and lightweight die-cast aluminum panels—Vertex is performance, simplified.

Built to Bend. Engineered to Perform.

10 kg Per Cabinet

Lightweight Build, ensuring effortless handling and setup.

Upto 7680Hz Refresh Rate

High Refresh Rate for ultra-smooth motion and clarity.

IP20 and IP65 Protection

IP20 (Indoor) & IP65 (Outdoor) – Tailored protection for all environments.

Front and Rear Maintenance

Dual-side servicing for easy and efficient upkeep.

Arc lock 45° or 90°

45° or 90° arc locks for smooth inner and outer curves with structural precision.

Constant Current 250W Avg/sqm

Ensures consistent performance with optimized power efficiency.

Brightness Up to 1200 Nits Indoor 5000 Nits Outdoor

Delivers vibrant visuals perfect for high-end indoor and outdoor environments.

Fan- less

Noise-free cooling for seamless indoor experiences.

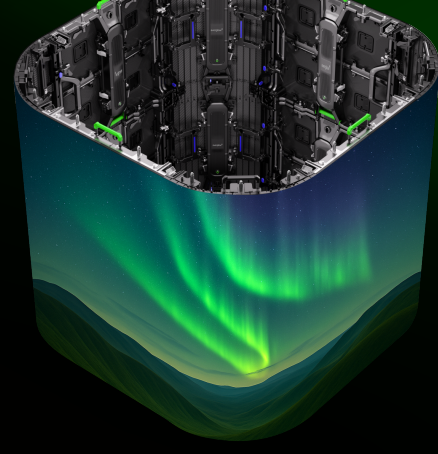

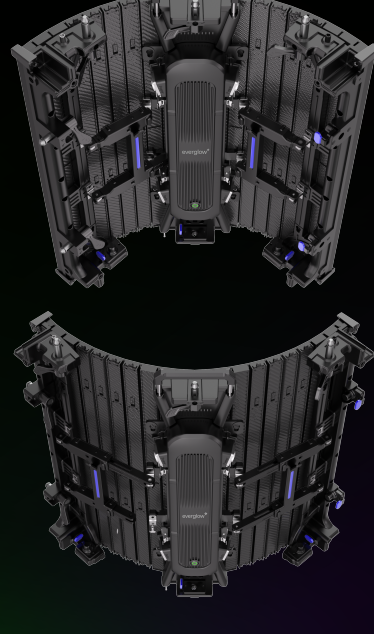

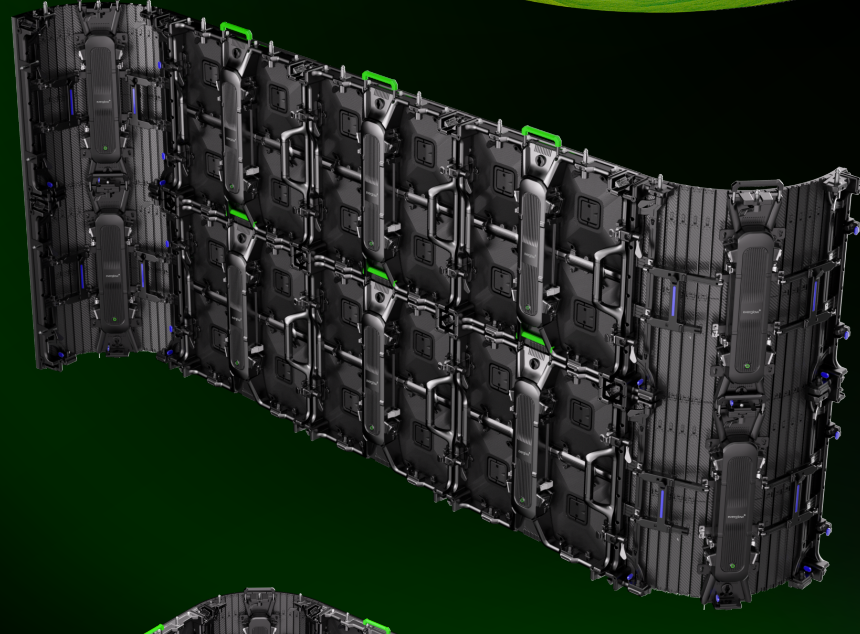

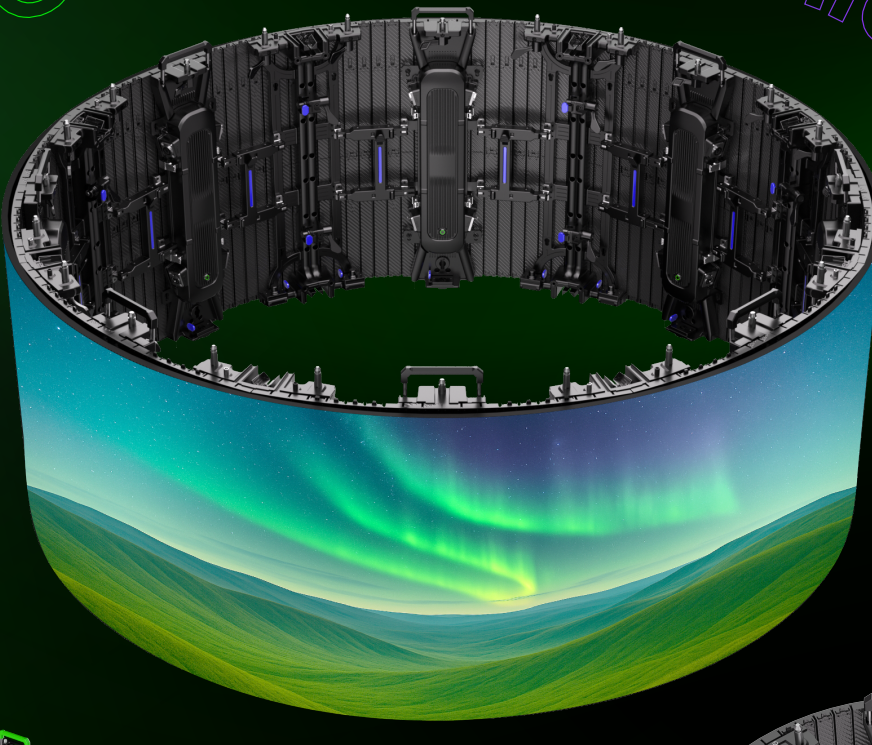

90° Square Formation

90° four cabinets can form into square shape and diameter is 730mm.

45° Circular Formation

45° eight flexible cabinets can form into circular shape and diameter is 1468mm.

Circular Module

Shaping Vision with Seamless Curves

Vertex's flexible cabinets enable smooth circular and curved displays with perfect color uniformity. Create a 730mm circle with four 90° panels or a 1468mm diameter with eight 45° panels. The innovative 576 module supports mixed splicing with standard cabinets—no color difference, one sync program.

Choose between 45° or 90° arc locks, adjustable from 0° to 45°/90°, for versatile design possibilities across immersive environments.
