Pre-Owned Listing Options

1. You may bring your boat to Windcraft in Pensacola, Fl where we can manage all preparatory services, showings, sea trials, and related activities.
2. Windcraft can also arrange or provide delivery for your vessel, tend to all delivery preparations, and transport the boat back to the Florida Panhandle for a standard service fee.
3. Alternatively, if you prefer to retain possession of your vessel during the sales process, you may do so; in this case, the owner assumes responsibility for all showings, sea trials, preparatory services, and a discounted listing fee applies.

Notes:

- For boats in our possession: a 10% commission applies (\$5,000 minimum).
- For boats listed while in the owner's possession: a 10% commission applies (no minimum).
- The 10% commission/minimum fee covers listing services, brokerage representation, and all related communications and correspondence. See Listing Agreement for all information.
- For boats/yachts listed in the owner's possession where minimum fee does not apply, 8% commission fee.
