Enriching Life!

Date: 27.01.2026

To,
Mr. Jagdish Kadam
&
Team Rajpath Infracon

Dear Sir,

I heartily congratulate you on your exemplary achievement of creating world record by laying bituminous construction on the Greenfield 6-Lane Access-Controlled National Highway (NH544G) between Bengaluru to Vijayawada in just 148 hours and 50 minutes. It is indeed a magnificent feat!

Your achievement has been recognized by Guinness Book of World Records once again! Getting recognized by Guinness Book of World Records itself is an outstanding achievement, and you have made a different sort of record by being featured in this world-renowned publication for many accomplishments.

We are proud to be associated with your Team and are equally proud of all your achievements & applaud them wholeheartedly.

I wish you and your team the very best for all your endeavours and many more records & accolades in the future.

With warm regards,

Mrs. Apekshita Thipsay
Managing Director
