

# Industrial Table LS

Semi-industrial L frame for semi-industrial overlock

The **LS** is designed for light and semi-industrial work, positioned between our industrial tables and home models. Recommended especially for semi-industrial overlock machines with large motors.

With a functional frame and a **25 mm (1 in) MDF top**, it offers more stability, convenience and better operator support in small studios, sewing shops and lower-volume production.

**110 lb**

DISTRIBUTED  
LOAD

**26.8/28.1/29.1**

FRAME HEIGHT (IN)

**Carbon Steel**

FRAME

**26 lb**

WEIGHT (WITHOUT TOP)

## TECHNICAL SPECIFICATIONS

|                   |                                   |
|-------------------|-----------------------------------|
| Base code         | LS                                |
| Adjustable height | 26.8 / 28.1 / 29.1 in, frame only |
| Frame             | Carbon steel                      |

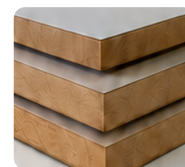

|               |                                  |
|---------------|----------------------------------|
| Finish        | Gray powder coat                 |
| Top thickness | 1 or 1.4 in (25 or 36 mm)        |
| Load capacity | Up to 110 lb (50 kg) distributed |

## CONFIGURATIONS & TOPS

| CODE                 | DESCRIPTION                                                                        |
|----------------------|------------------------------------------------------------------------------------|
| LS                   | Steel frame only.                                                                  |
| LS_PD_TRT            | Steel frame + pedal and tie rod.                                                   |
| LS_PDT               | Steel frame + foot-lift pedal.                                                     |
| LS_PD_TRT_PDT        | Steel frame + pedal and tie rod + foot-lift pedal.                                 |
| LS_PD_TRT_PDT_TS     | Frame + pedal and tie rod + foot-lift pedal + 43.3×19.7×1 in (1100×500×25 mm) top. |
| LS_PD_TRT_PDT_TS_CBC | Complete: + 43.3×19.7×1 in (1100×500×25 mm) top + scrap chute and funnel.          |

### AVAILABLE TOPS

- ◆ 43.3 × 19.7 × 1.0 in (1100 × 500 × 25 mm)
- ◆ 43.3 × 19.7 × 1.4 in (1100 × 500 × 36 mm)

### OPTIONS

#### Pedal

Heavy-duty pedal, ideal for high-performance industrial machines.

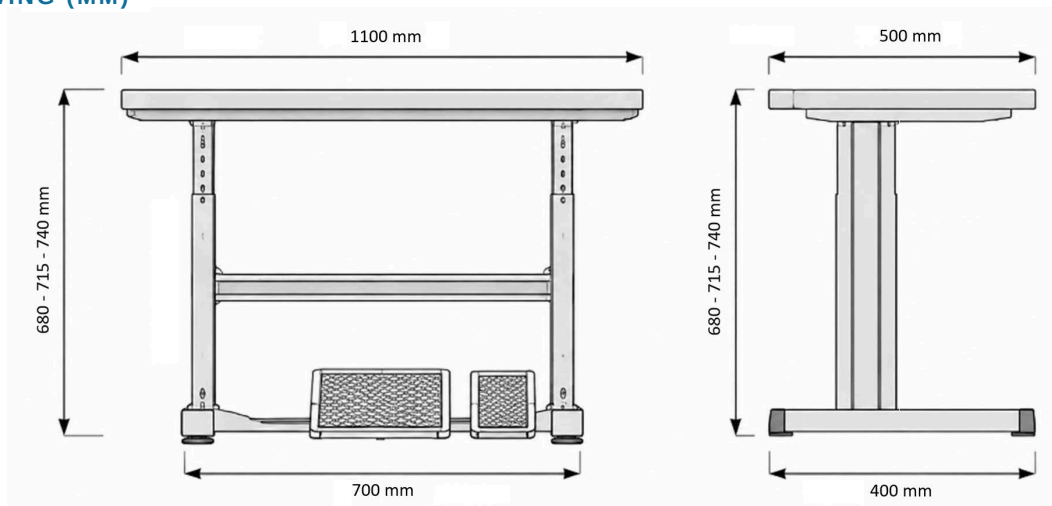

#### Foot-lift pedal

Compact auxiliary pedal for specific functions.

### Scrap Chute & Funnel

Collects trimmings and waste, keeping the workstation tidy.

## TECHNICAL DRAWING (MM)

For over 41 years, designing and manufacturing industrial furniture solutions, with in-house engineering and a commitment to industrial productivity.
