

# Choice Champions

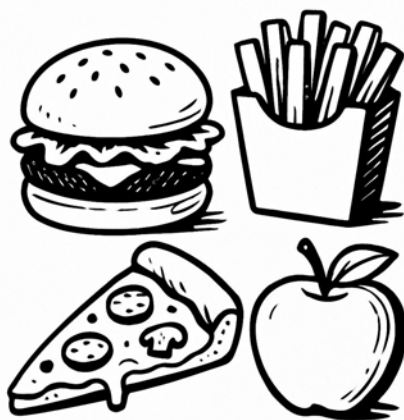

## What is Responsible Decision-Making?

It means thinking about what's right and safe before you choose what to do.

Responsible Decision-Making  
K-1st grade

 We make choices every day. Draw a line to match each choice with the right picture:

Cloths

Food

Toys

Calm Down

 Draw a picture of a choice you made today:

☐ Circle the pictures that show good choices:

Sharing a Toy

Arguing with Someone

Waiting your Turn

Throwing a Fit

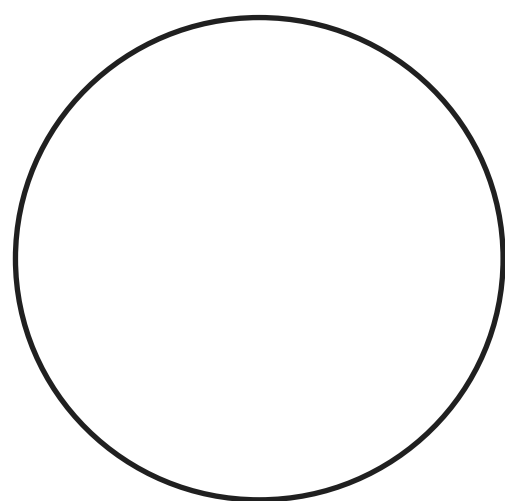

Cleaning up Toys

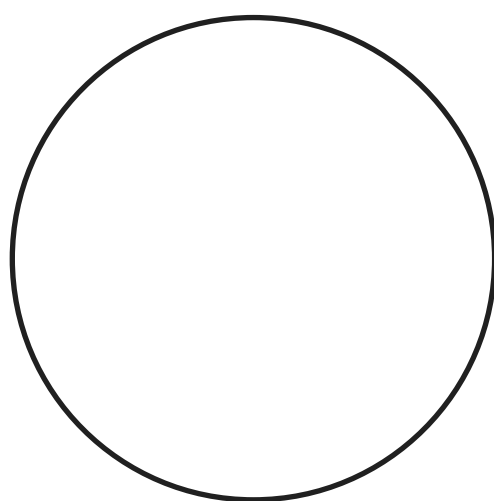

Leaving a Mess

 Draw a face to show how these choices might make someone feel:

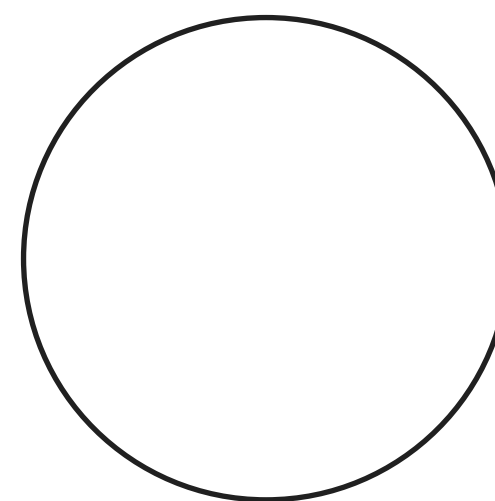

Helping a Friend

Taking a Toy

Saying Kind Words

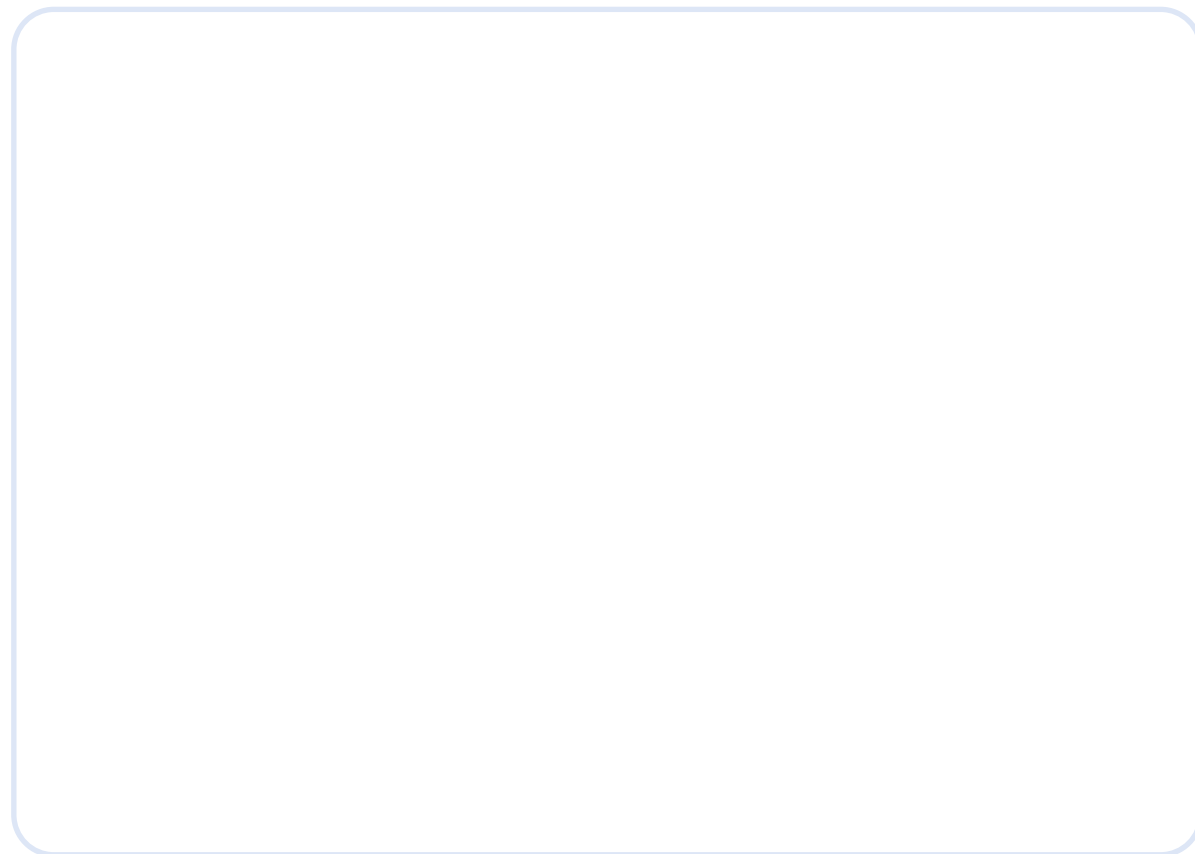

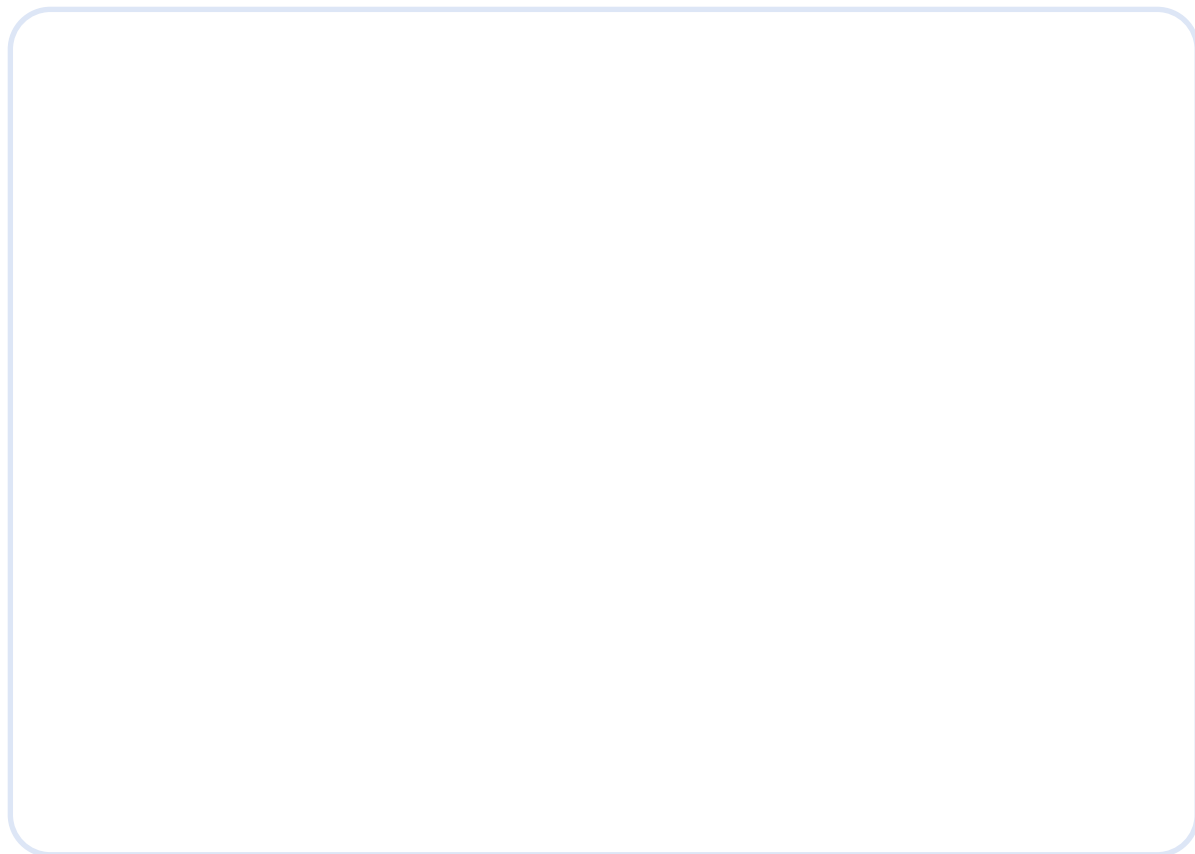

Cleaning up a Mess

 When we have a problem, we can make good choices to solve it. Draw what you would do:

**Problem:** You want your friends toy.

**Problem:** You spill your juice at lunch.

 Cut out your own **Message Master** Badge!
