VITRO X1

Discover the Vitro X1, an elegantly designed compact coffee machine that brings sophistication and high-quality coffee to any setting. Ideal for offices, hotels, leisure centers, and care homes, the Vitro X1 stands out with its premium materials and attention to detail. This machine is not only about aesthetics; it's engineered for ease of use and consistent delivery of superb coffee experiences.

MACHINE FEATURES

SOPHISTICATED DESIGN

With its contemporary look and best-in-class material finishes, the Vitro X1 enhances any area it occupies. The machine's design and intuitive interface make it a standout addition, offering both style and substance.

HIGH PERFORMANCE

Capable of serving up to 150 cups of espresso or cappuccino and 40 cups of hot chocolate per day, the Vitro X1 meets the needs of busy environments effortlessly.

ADVANCED BREWING TECHNOLOGY

From coffee grinding, tamping, and brewing, every step is refined to provide the perfect cup in seconds. The AZK V30 espresso group allows for adjustable coffee strength, ensuring each drink is tailored to personal tastes.

ADVANCED BREWING TECHNOLOGY

The Vitro X1 offers touch or patented Distance Selection technology, allowing users to choose their coffee effortlessly without touching the machine, suitable for up to 12 different coffee specialties.

WHY CHOOSE THIS MACHINE?

ADAPTABLE CONFIGURATION

With options for different operational models, including various payment systems and the ability to modify drink recipes and machine settings, the Vitro X1 is versatile for any business model.

HYGIENIC SOLUTIONS

The independent hot water spout ensures that tea and other delicate infusions are prepared with fresh, clean hot water, maintaining flavour integrity.

ENHANCED USER EXPERIENCE

The illuminated dispense area and the possibility of easy label changing for consumer preference make the Vitro X1 not only functional but also a joy to use.

MACHINE DIMENSIONS (DXWXH)

505mm x 337mm x 627mm
