

EDEH MADUKA

No-Code Web Developer

ABOUT ME

Hello, my name is Edeh Maduka. For the past 3 years, I've been creating bold websites that are simple, beautiful, and easy to use.

Specializing in web development, web design, and content creation, I strive to give each project a distinct personality and visual identity.

EXPERIENCE

Framer Developer

2024 – 2025

Studio Duo

I worked with one of the best Framer studios in the United Kingdom; my duties were to build both Framer templates and client projects.

Framer Developer

2025 – 2026

Nuttifox Studio

I worked with one of the best Framer studios in the United Kingdom; my duty was to design and develop Framer templates for Instant Supply, which is a Framer template marketplace

Framer Expert & Partner

2023 – Present

Freelancer

I am an official Framer expert and partner; I started using this no-code tool in 2023, and I've gone on to work on many client projects and templates. Also earned a Frameship badge, which showcases my expertise with integrating Framer and Shopify e-com solutions.
