BORN TO TRAVEL

BOLD, FASCINATING AND FUN -

Safari is about the curious spirit of exploring the unfamiliar and finding what's 'new' in the familiar - about faraway towns, quaint cafes, frothy white beaches, endless black coiling roads, the fresh whiff of air from the hilltop and the crunch of powdery snow beneath your shoes; among the million other unforgettable sights and sounds as you travel to destinations unknown.

If life's a safari and you're #borntotravel, we bet there's one perfect Safari product waiting for you to take along on your next trip.

The backpacks are shown from different angles, some front-facing, some side-on, and some slightly tilted. They feature straps, buckles, and zippers, rendered in a minimalist, sketch-like style.
