General Price List

These prices are effective as of 8/10/2026
Prices are subject to change without notice.

Charges are only for those items that you selected or that are required. If we are required by law or by a cemetery or crematory to use any items, we will explain the reasons in writing below. If you selected a funeral that may require embalming such as a funeral with viewing, you may have to pay for embalming. You do not have to pay for embalming you did not approve or if you selected arrangements such as a direct cremation or immediate burial. If we charged for embalming, we will explain why below.

Basic Services of Funeral Director and Staff

\$2,585.00

This basic charge includes 24-hour availability of staff and equipment, securing and recording vital statistics, obtaining authorizations and permits to comply with all state and federal regulations and arrangement conference with family or responsible party. Also included in this charge are overhead expenses such as bookkeeping, accounting and any general clerical administration fees. This fee for our basic services and overhead will be added to the total cost of the funeral arrangements you select. (This fee is already included in our charges for direct cremations, immediate burials and forwarding and receiving of remains).

CARE OF REMAINS

Embalming
