

Subject: Please Support Full Funding for Our National Parks

Dear [Senator/Representative Last Name],

My name is [Your Full Name], and I am a constituent from [Your City, State, and Zip Code]. I'm writing to express my deep concern about the ongoing and proposed funding cuts to our national parks.

America's national parks are more than just beautiful places—they are living classrooms, sources of inspiration, and vital economic engines for local communities. Yet, year after year, parks are being asked to do more with less. Staffing shortages, crumbling infrastructure, and lack of resources are making it harder to preserve these treasured places and provide a safe, enriching experience for millions of visitors.

I urge you to support increased and sustained funding for the National Park Service. This includes rejecting any proposed budget cuts and advocating for appropriations that reflect the true needs of the agency. Our parks deserve nothing less.

This issue is personal to me. [Insert a brief sentence or two about why national parks matter to you—e.g., “My family visits [Park Name] every year, and it's become a place where we reconnect with each other and with nature.”]

Please stand up for the parks that belong to all of us. I respectfully ask that you support robust funding for the National Park Service and do everything in your power to protect the future of these irreplaceable places.

Thank you for your time and public service. I would appreciate a response outlining your position on this issue.

Sincerely,
[Your Full Name]
