

THE FATHER'S HEART

A NEW STORY SERIES

SMALL GROUP QUESTIONS

Series: *The Father's Heart*

Part 2 – A Home For Every Child
Pastor Jason Nettles

- 1) Read Romans 8:15 aloud. How does this verse speak to you personally?
- 2) We just celebrated Easter. How does Jesus' work on the cross and glorious resurrection mean to your relationship with him and offer the blessing of adoption into God's family?
- 3) Has your relationship with your earthly father potentially impacted your view of God the father when approaching him and spending time with him? Even how you believe he sees you?
- 4) Read James 1:27. How does this verse speak to you personally? And how have you responded and taken action?
- 5) Have you ever considered foster care or adoption? Has God ever spoken to your heart or given you a special burden for this need? If so, please share.
- 6) What are some practical action steps the next 6 months to make a difference personally and together as a church family?
- 7) The reality of 40,000 children and orphans in the LA foster-care is heartbreaking. But the overshadowing reality of 12+ million orphans in Los Angeles separated from their heavenly father and the family of God is even greater. This next year, who are 5-10 friends you know who do not have a relationship with Jesus? Through friendship, they could be invited to church and eventually introduced to their Father in heaven. Take a few minutes and write down a TOP 10 list of people you will pray for and intentionally be praying for the opportunity to introduce them to Jesus.
