General *(continued)***Objective**

Statutory objective of the organisation.
What does the organisation seek to achieve?

Stichting The Global Hubs is a nonprofit based in The Hague. Its mission is to improve access to sustainable energy; to participate in knowledge programmes of partners of the Foundation; to support solutions in health, livelihood and energy sectors; to support local enterprises and SME 's in the energy sector; to support decentralised renewal energy solutions for communities in need, in the broadest sense of the word.

Outline of the policy plan

Please answer the questions below or provide an URL to the policy plan after the last question about the policy plan.

The online policy plan should at least provide answers to the questions about the policy plan asked here.

What are the institution's activities?
When are which activities to be carried out? And how do the activities contribute to achieving the institution's objective?

Activities include project development and coordination, partnership development, fundraising and resource mobilisation, knowledge exchange, and monitoring and evaluation implementation. During the Stichting ' s establishment phase in 2025, activities focused on establishing a legal and governance structure, and identifying project opportunities. From 2026 onwards, the focus is on coordinating and fundraising for projects in Uganda as well as developing opportunities in Ethiopia, Rwanda and other countries where need is reported. These activities contribute to the institution ' s objectives by supporting reliable and decentralised energy solutions, notably for services related to healthcare and strengthening local livelihoods

How does the organisation generate income or revenue?

Through contributions and grants from foundations, corporations, international donors, and high net worth individuals.

1	General (continued)
How and for what purposes are the revenues spent? <i>If your organisation holds capital, please fill in here where and how this capital is held (e.g. savings account, investments, etc.)</i>	The majority of revenues will be used the development and implementation of renewable energy projects in the Global South. Expenditure will include technical and local partner support, monitoring and evaluation, and fundraising. Revenue will also be used for necessary organisational and administrative costs, including staff costs, accounting, legal costs, communications, office costs, and other operational expenses. Capital is held in bank accounts in the name of Stichting The Global Hubs, and funds are held as liquid assets in current and savings accounts.
