

Bathroom quote-comparison worksheet

Original planning tool by BALLENCIACE Construction. Use alongside written proposals; not a contract or installation specification.

Status key: Specified / Allowance / Excluded / Unanswered. Record each proposal's exact description and any stated amount. A blank is unanswered, not zero.

Project / room: _____ Proposal A / date: _____ Proposal B / date: _____

Item to compare	Proposal A: status and details	Proposal B: status and details	Question / person / answer date
Removal and adjacent-area protection			
Debris removal and cleanup			
Wall and floor preparation			
Waterproofing system and shower drain			
Fixtures and plumbing connections			
Shower glass and installation			
Vanity cabinet, top, sink and hardware			
Tile, pattern, trim and quantities			
Delivery, access and building coordination			
Permit responsibility and costs, if applicable			
Timing assumptions and selection deadlines			
Changes, walkthrough and handover			

Before deciding: request written answers, align the scope and selections, then compare the totals. Do not fill unknown prices with guesses.
