

WHEN LIFE THROWS YOU A CURVEBALL

New Story
CHURCH | LA

Pastor Stephen Han

- 1) Share a time when you experienced an unexpected “curveball” in your life. How did you initially react?
- 2) Read Mark 4:35-41.
 - a. Why do you think Jesus decided to take the disciples across the sea?
 - b. How did the disciples’ reaction to the storm contrast with Jesus’ response? What does this reveal about their faith?
- 3) Three truths to remember in the “storms”: God’s Control, God’s Presence, and God’s Revelation
 - a. God’s Control: Can you recall a time when you felt like your life was chaotic, but later realized God was in control? What did you learn from that experience?
 - b. God’s Presence: Why do you think we sometimes struggle to recognize God’s presence in the midst of our “storms”? How can we cultivate an awareness of God’s presence during challenging times?
 - c. God’s Revelation: Pastor Stephen mentioned that God uses storms to show us who He really is. Can you share an experience where a difficult situation deepened your understanding of God’s nature?
- 4) What practical steps can you take this week to shift your focus from your current “storms” to the Savior?
- 5) Read I Peter 5:6-7. What are some “anxieties” you’re currently carrying that you can cast onto God?
- 6) Pray for the people who lost their home or business through the fires. What is one thing you can tangibly do to help them see God in the midst of their “storm”?
