EQUALITY RATING GUIDE

EQUALITY RATING RUBRIC

The Equality Rating measures one thing: **a candidate's public record on LGBTQ+ equality**. Every score is built from documented, citable sources: **roll-call votes, sponsored legislation, official actions, public statements, and public associations**. Nothing is scored from rumor, party label, or private conversation.

COMPONENT	WHAT IT MEASURES
Voting Record	How the candidate voted on equality-related bills and measures
Sponsorship & Leadership	Bills sponsored, vetoes, ordinances, and public leadership for or against equality
Public Statements	Platform positions, campaign statements, and questionnaire responses
Association & Conduct	Documented ties to anti-LGBTQ+ organizations or discriminatory conduct

For a **sitting legislator**, votes carry the most weight. For a **first-time candidate** with no record in office, statements carry the weight instead.

CHAMPION
(100-90)

ALLY
(89-70)

MIXED
(69-50)

OPPOSED
(49-0)

A score based on years of votes isn't the same as a score based on campaign statements alone. Each published score is labeled Tier 1 (full record), Tier 2 (partial record), or Tier 3 (statements only). If a candidate has no votes, no statements, and no questionnaire, we publish **Insufficient Record** instead of a number. We'd rather say "we don't know" than pretend we do.

The rules that keep it honest

- Same rubric for every candidate, in every party.
- The bill list is locked before anyone is scored.
- Every input is cited.
- A score is not an endorsement.

Denotes Equality Arizona-endorsed candidates. Interested candidates all completed an application and interview with our volunteer endorsement committee before earning our endorsement.

(D) Democrat **(R)** Republican **(I)** Independent **(G)** Green **(NOL)** No Label **(NP)** Nonpartisan

BALLOT MEASURES

8 statewide propositions • Election Day is Tuesday, November 3, 2026

NO x8 We recommend a **NO** vote on every proposition. All eight were sent to voters by the Legislature. For the first time in 12 years, no citizen-led measure made the ballot.

PROP	IN PLAIN WORDS	WHAT IT CHANGES	OUR VOTE
141	Bans taxes based on how many miles you drive	Constitution	NO
142 ★	Bans DEI programs in government and public schools	Constitution	NO
144 ★	Requires government ID to vote, even by mail	Constitution	NO
316	Caps city grocery taxes at 2% and requires a public vote to raise them	State law	NO
317	Labels drug cartels as terrorist groups, with no new money or penalties	State law	NO
318 ★	Expands the trans sports ban and adds a bathroom and locker room rule	State law	NO
319	Bans new red-light and speed cameras	State law	NO
320 ★	Makes big school districts spend 60% in classrooms or lose state money	State law	NO

★ Top priority for Equality Arizona. A YES vote would harm civil rights, voting access and transgender Arizonans.

HOW TO READ THE NUMBERS

100s change the Arizona Constitution.
300s are state laws the Legislature sent to you.
200s come from citizens.
There are none this year.

YOUR VOTE IS CARVED IN STONE

Once voters pass a proposition, lawmakers almost never can change it. Even mistakes stay.
A good rule: vote NO unless the YES side makes a strong case.

PROP
141**VOTE NO****No taxes based on how far you drive**

CHANGES THE CONSTITUTION · SPONSOR: SEN. JAKE HOFFMAN

Arizona pays for roads with a gas tax that has not gone up in more than 30 years. Electric cars pay none of it. Some states are testing a tax on miles driven instead. Prop 141 would ban that idea forever, even though Arizona has no plan to use it.

YES means mileage taxes are banned in the constitution.**NO means** nothing changes.

Worth knowing: ADOT expects to be about \$162 billion short on road money over 25 years. Prop 141 takes one possible fix off the table.

PROP
142**VOTE NO**★
TOP
PRIORITY**Bans DEI programs in government and schools**

CHANGES THE CONSTITUTION · SPONSOR: HOUSE SPEAKER STEVE MONTENEGRO

Arizona already bans racial preferences in public jobs, schools and contracts. Prop 142 goes further. It bans DEI statements, DEI trainings and DEI jobs in public schools. It also stops public agencies from asking people about their race or their experiences with race.

YES means these limits go into the constitution.**NO means** the current rules, passed in 2010, stay.

Worth knowing: The broad wording could block programs for specific communities, like dropout help for Hispanic students or support for LGBTQ students.

PROP
144**VOTE NO**★
TOP
PRIORITY**Voter ID for every voter, even by mail**

CHANGES THE CONSTITUTION · SPONSOR: REP. ALEXANDER KOLODIN · STARTS 2028

Prop 144 bundles many election changes into one vote. The big one: you would need a government ID to vote, including by mail. No one has said how mail voters would show ID. It also lets poll workers count early ballots on site and makes election laws harder to challenge in court.

YES means these changes go into the constitution.**NO means** election rules stay as they are.

Worth knowing: About 8 in 10 Arizonans vote by mail. Today, mail ballots are checked by matching your signature to the one on file.

PROP
316

VOTE NO

Limits city taxes on groceries

STATE LAW · SPONSOR: REP. LEO BIASIUCCI

Phoenix, Mesa and Tucson do not tax groceries, but most smaller towns do. Prop 316 caps any new or higher grocery tax at 2% and requires a public vote first. It started as a full ban. Cities bargained it down to this deal.

YES means cities face new limits on grocery taxes.

NO means cities keep deciding for themselves.

Worth knowing: Small and rural towns use this money for police, fire and roads. If it shrinks, the cost may move to other taxes.

PROP
317

VOTE NO

Calls drug cartels “terrorist organizations”

STATE LAW · SPONSOR: HOUSE SPEAKER STEVE MONTENEGRO

Prop 317 labels cartels as terrorist groups and tells the Arizona Department of Homeland Security to fight them. It adds no money, no officers and no new penalties. It also says the label cannot help anyone fleeing cartels get asylum.

YES means the label becomes state law.

NO means nothing changes.

Worth knowing: Gov. Hobbs vetoed a similar bill in 2023. That department mostly hands out federal grants and has no staff trained to fight cartels.

PROP
318

VOTE NO

★
TOP
PRIORITY**Expands the trans sports ban and adds a bathroom rule**

STATE LAW · SPONSOR: REP. SELINA BLISS · STARTS JAN. 1, 2027

Arizona already bans trans girls from girls’ school sports. Prop 318 adds private schools and athletic groups. It also limits bathrooms, showers and locker rooms tied to sports to a person’s sex at birth, at K–12 schools and colleges. Athletes could sue schools.

YES means the stricter rules become law.

NO means the 2022 law stays as it is.

Worth knowing: No trans girls play school sports in Arizona right now. The biggest real-world effect is the bathroom and locker room rule.

PROP
319
VOTE NO

Bans new red-light and speed cameras

STATE LAW · SPONSOR: SEN. WENDY ROGERS

No new traffic cameras could be added after 2026. Cities that already have them, like Phoenix, would need voters to approve them at the next general election and again every 10 years.

YES means no new cameras; current ones go to a vote.

NO means cities keep deciding.

Worth knowing: Camera tickets help fund Clean Elections. Police departments across the Phoenix area oppose Prop 319.

PROP
320
VOTE NO

★
TOP
PRIORITY

Forces big school districts to spend 60% in classrooms

STATE LAW · SPONSORS: REP. MATT GRESS, SEN. JAKE HOFFMAN

Big districts would have to spend 60% of their budgets on classroom teaching. Today the average is about 52%. Districts that miss the goal lose part of their state money each year, up to all of it after four years. An appointed state official decides what counts as “classroom.”

YES means the 60% rule becomes law.

NO means local school boards keep deciding.

Worth knowing: To hit the number, schools may have to cut nurses, buses, counselors and repairs like broken air conditioning.
