SUMMARY

Creative and detail-oriented UX/UI Designer with a proven track record of crafting user-centric web and mobile interfaces for B2B and B2C SaaS platforms. Proficient in wireframing, prototyping, responsive design, and user research, including usability testing and persona development.

Skilled in creating design systems, brand identities, and marketing assets. Adept at collaborating with cross-functional teams to deliver pixel-perfect, engaging, and innovative solutions within deadlines. A self-taught, fast learner with excellent communication skills and a passion for continuous growth and creativity.
