EXPERIENCE

Senior UX/UI Designer

MERKUR BETS Sports Betting

Jan 2022 - Present - 4 yrs 6 mos, Austria

Worked as a Senior UX/UI Designer across multiple Agile product teams, contributing to UX strategy, product discovery, UI design, research-driven improvements, and design system development.

UX/UI Designer

Newport.TAKKT

Jul 2021 - Sept 2021 - 3 mos, Germany

Developed a white-label design system in Figma for a B2B industrial packaging department within the TAKKT Group, including scalable components, wireframes, and user flows to support consistent product experiences.

UX/UI Designer

BSH Hausgeräte AG

Aug 2019 - April 2020 - 9 mos, Germany

The objective was to migrate from a legacy design platform to a new environment and establish an improved atomic design system in Figma. I successfully completed this transition within 6 months. Following the migration, I also contributed to user flow improvements across multiple branded marketplace platforms, including Bosch and Siemens.

Graphic Design Team Lead

Pebbled.io

Aug 2017 - Sept 2019 - 2 yrs 2 mos, Australia

Pebbled was a subscription based design service company offering unlimited graphic and web designs and revisions for a flat monthly fee. I was leading a team of 20 designers and we covered a wide range of design skills and styles.
