Itinerary

It is recommended to arrive one night before the Galápagos embarkation — ask us for available options.

Monday 08/02

Guests flying into Baltra arrive in the Galápagos Islands from mainland Ecuador in the late morning. The dive guides will meet guests at the airport between **11:00 a.m. and 12:00 p.m.**, then escort them to the Galápagos liveaboard **Humboldt Explorer**.

Once on board, guests will have lunch, set up their gear, and attend the mandatory safety briefing.

Tuesday 09/02

Baltra North (2 dives)

Check-out dives at 7:00 a.m. and 10:00 a.m.

Typical sightings include rays and large schools of fish.

In the afternoon, guests will enjoy a land excursion to **North Seymour**. The guided walk around the island offers views of large colonies of **blue-footed boobies** and **frigatebirds**. Sea lions and marine iguanas are also commonly seen.

After the excursion, the vessel begins its long transit toward the northern islands.

Wednesday 10/02

Wolf Island (3-4 dives)

Scheduled dives at 10:30 a.m., 2:00 p.m., and 4:30 p.m.

Possible night dive depending on conditions.

Common sightings at Wolf include:

- Scalloped hammerhead sharks
- Whale sharks
- Eagle rays
- Sea lions
- Galápagos sharks
- Silky sharks

The vessel anchors overnight at Wolf Island.

Thursday 11/02

Wolf Island (2 dives)

Dives at 6:30 a.m. and 9:30 a.m.

Transit to Darwin Island.

Darwin Island (2 Dives)

Dives at 2:00 p.m. and 4:30 p.m.

Typical sightings at both islands include:

- Scalloped hammerhead sharks
- Red-lipped batfish
- Eagle rays
- Sea lions
- Galápagos sharks
- Silky sharks

Friday 12/02

Darwin Island (4 Dives)

Dives at 6:30 a.m., 10:30 a.m., 2:00 p.m., and 4:30 p.m.

Common sightings often include:

- Hammerhead sharks
- Whale sharks (in season)
- Eagle rays
- Galápagos sharks
- Silky sharks

Transit back to Wolf Island.

Saturday 13/02

Wolf Island (3 Dives)

Dives at 6:30 a.m., 9:00 a.m., and 11:00 a.m.

Expect to see:

- Hammerhead sharks
- Whale sharks (in season)
- Eagle rays
- Galápagos sharks
- Silky sharks

Long transit to Cousin's Rock (over 20 hours).

Sunday 14/02

Cousin's Rock (1–2 Dives)

Dives at 6:30 a.m. and 9:30 a.m.

(The number of dives depends on the travel time from Wolf Island.)

This is an excellent macro dive site with great chances of seeing:

- Seahorses
- Sea lions
- Eagle rays

Lunch will be served during the transit to Santa Cruz (approximately 3 hours).

Santa Cruz Highlands Excursion

Travel by bus to the **Santa Cruz Highlands** to visit giant tortoises in their natural habitat.

Free time to explore **Puerto Ayora** and visit the **Charles Darwin Research Station**.

Dinner on your own in Puerto Ayora.

Return to the Humboldt Explorer at **8:30 p.m.**

Monday 15/02

Cancellation Policy – Non-Refundable

All reservations for our trips and experiences are **non-refundable** in the event of cancellation due to personal reasons.

All bookings for this trip are **strictly non-refundable**. This means that once any payment has been made—whether a deposit, partial payment, or full payment—**no refunds will be issued under any circumstances**, including voluntary cancellation by the guest, change of plans, personal reasons, work-related issues, medical situations, or any other circumstance.

Weather-Related Cancellations

Itineraries may be modified without prior notice if the Captain deems it necessary for the safety of guests, crew, and vessel. We will always do our best to offer the best possible experience, but **no refunds or credits** will be issued if authorities require changes to the planned route.

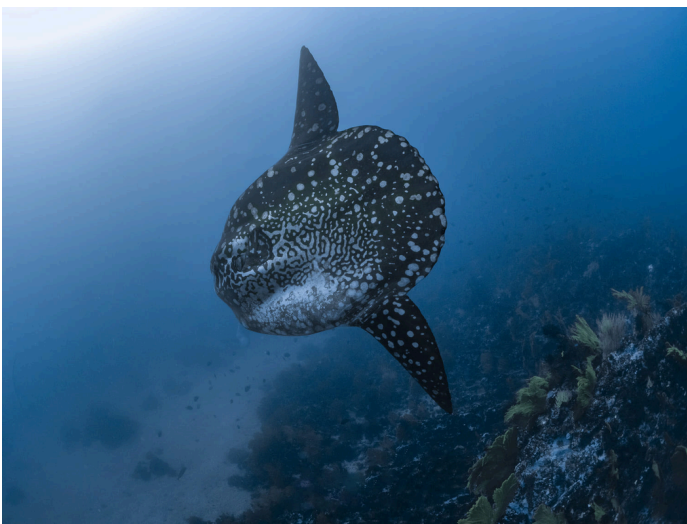

If extreme weather prevents the vessel from departing or forces the trip to be interrupted, **no refunds or credits** will be provided.

Flight Delays or Cancellations

The vessel departs on the scheduled date and time.

No refunds or credits will be issued if a guest misses embarkation due to delayed or cancelled flights.
