# BM40

Experience the perfect blend of style, functionality, and personalization with the BM40 Machine. Designed for environments where space is at a premium but quality cannot be compromised, this coffee machine is an excellent choice for small spaces and workplaces. It combines a sleek, streamlined design with advanced features to deliver a superior coffee experience.

## MACHINE FEATURES

### INTUITIVE TOUCH SCREEN INTERFACE

The 7-inch color touchscreen display is not only easy to use but also allows users to customize up to 16 different drink options, creating a truly personalized menu.

### COMPACT AND STYLISH DESIGN

Optimized to fit seamlessly into any setting, the BM40 enhances your space without taking up excess room.

### HIGH-QUALITY BREWING

Equipped with a high-performance espresso brewer capable of handling up to 14g of grounds, ensuring each espresso is rich and full-bodied.

### FRESH MILK SYSTEM

Features an innovative Steam Tech milk foam system that works with the 2-liter milk fridge to deliver consistently smooth and creamy beverages.

## BEST FOR INDUSTRIES IN

### SMALLER OFFICE ENVIRONMENTS

Enhance the office coffee break with a machine that allows employees to customize their beverages to their tastes.

### DYNAMIC WORKSPACES

Enhance the office environment with a coffee machine that can keep up with the pace and demand of modern business settings.

## WHY CHOOSE THIS MACHINE?

### CUSTOMISABLE COFFEE EXPERIENCE

Users can adjust settings to their preferences, from coffee strength to milk texture, making each drink uniquely theirs.

### VERSATILE BEVERAGE OPTIONS

From espresso to flat white and hot milk foam, the variety ensures there is something for every coffee lover.

### ADAPTABLE TO YOUR NEEDS

With options for a built-in water filter, mains water connection, and mains drainage, the BM40 can be tailored to suit the specific requirements of your environment.

## MACHINE DIMENSIONS

349mm x 473mm x 526mm
