AUDIT ENGAGEMENT LETTER

TO: Maharashtra Dyslexia Associates

FROM: VIVEK MESTRY AND ASSOCIATES, CHARTERED ACCOUNTANTS
324 1st floor, Raghuleela Mall, Behind Poisar Bus Depot, Kandivali (West)
Mumbai 400 067

DATE: 01/08/2025

SUBJECT: Audit For F.Y. 2024-25

You have requested that we audit the balance sheet of Maharashtra Dyslexia Associates as at **31st March, 2025** and the related income and Expenditure account for the year ended on that date. We are pleased to confirm our acceptance and our understanding of this engagement by means of this letter. Our audit will be conducted with the objective of our expressing an opinion on the financial statements.

We will conduct our audit in accordance with the auditing standards generally accepted in India and with the requirements of Accounting Standards as prescribed by the Institute of Chartered Accountants of India. Those Standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatements. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation.

However, having regard to the test nature of an audit, persuasive rather than conclusive nature of audit evidence together with inherent limitations of any accounting and internal control system, there is an unavoidable risk that even some material misstatements of financial statements, resulting from fraud, and to a lesser extent error, if either exists, may remain undetected.

The responsibility for the preparation of financial statements on a going concern basis is that of the management. The management is also responsible for selection and consistent application of appropriate accounting policies, including implementation of applicable accounting standards along with proper explanation relating to any material departures from those accounting standards. The management is also responsible for making judgments and estimates that are reasonable and prudent so as to give a true and fair view of the state of affairs of the entity at the end of the financial year and of the profit or loss of the entity for that period.

Contd...

(2)

The responsibility of the management also includes the maintenance of adequate accounting records and internal controls for safeguarding of the assets of the company and for the preventing and detecting fraud or other irregularities. As part of our audit process, we will request from management written confirmation concerning representations made to us in connection with the audit.

Audit fee will be billed on submission of the audit report as mutually agreed.

We look forward to support and cooperation from your staff and we trust that they will make available to us relevant records; documentation and other information are requested in connection with our audit.

Please sign and return the attached copy of this letter to indicate that it is in accordance with your understanding of the arrangements for our audit of the financial statements.

Thanking You
Yours Faithfully,
