

JEFE TACOS

OUR FOOD

We nixtamalize our corn and grind it to make fresh masa every morning. Our taco and quesadilla tortillas are hand-pressed from our fresh masa and cooked to order giving them their signature rich flavor and texture.

Our meats are carefully prepared with time-honored marinades using imported dried Mexican chilis and spices. All are flame grilled for the perfect char.

Our salsas are clean, flavorful and range in spice level. The salsa verde features fresh tomatillos, and serrano and jalapeño chilis. Our salsa norteña adds arbol and habanero for a smoky kick.
