## FEATURES

### SPECIAL BALLS

During the Extraball Feature, if the next Extraball hits the highest prize available for that round, there's a probability of triggering the Special Ball, which lets the player choose any number from the cards

### EXTRA BALLS

After the balls are drawn, if there is any valuable pattern or group of patterns that are almost being matched, the Extraball Feature will start. When triggered, extra balls are presented to be purchased.

### PICK AND COLLECT

Bonus where the player has to pick the plates until they find Collect. When the player picks a Collect, the bonus ends. Each pick will reveal a value to be added to the final prize.
