Regarding Insurance (PLEASE INITIAL BELOW ACKNOWLEDGING AGREEMENT)

Your insurance policy is a contract between you and your insurance company. **Please make sure that you understand your insurance policy. Please be advised that some, or all, of the services provided may not be covered under your insurance plan and may therefore be your financial responsibility. Any applicable copayments, deductibles, and coinsurance amounts required by your insurance plan along with non-covered services will be billed to you.** Please understand that insurance companies do not always have knowledge of the financial agreements patients make directly with our practice. Because of this your Explanation of Benefits (EOB) may indicate that you owe no payment or that a service is not your responsibility. However, by signing this Financial Policy, you acknowledge and agree to be financially responsible for all non-covered services in accordance with the terms of this agreement. A quote of benefits and/or Pre-authorizations does not guarantee payments or verify eligibility. Payment of benefits are subject to all terms, conditions, limitations, and exclusions of the members' contract with their insurance at the time of service. We are participating providers with most insurance carriers. If your insurance company denies your claim, we will make reasonable effort to resolve their denial. If your insurance has not paid your claim within 60 days, you may be responsible for payment in full. If you belong to an HMO, MCO, or POS, it is your responsibility to obtain a referral from your primary care physician's office. If you are seen without a referral, payment will be due at the time of service.
