Profile

Diligent and ambitious 15-year-old thriving on a passion for learning. Currently boarding at Pembroke School in Adelaide, I am the proud sole trader and owner of JMDigital. My company offers versatile digital solutions for businesses, specializing in web design, graphic design, advertising, and social media management. With a wealth of practical experience, I excel in a multitude of areas. My strong organizational skills and adaptability ensure seamless project execution. Moreover, I offer flexible work hours to accommodate diverse client needs. Eager to contribute, I am a young entrepreneur dedicated to fostering innovation and growth in the digital landscape.
