Work Experience

UX/UI Designer

Specno, Cape Town (Remote)
2023-01 - 2024-08

Created detailed wireframes, prototypes, and interactive mockups using Figma, and presented designs to stakeholders. Collaborated with cross-functional teams to align product visions and ensure timely project delivery. Managed multiple projects concurrently, consistently meeting deadlines and incorporating stakeholder feedback to deliver tailored solutions. Developed design systems to maintain consistency across platforms and redesigned legacy applications, resulting in increased user engagement. Led UX/UI projects from concept to completion. Developed client systems using low-code platforms such as Webflow, Shopify, and Framer.

Junior UX/UI Designer

Hominum Global, Cape Town
2022-03 - 2022-12

Created wireframes, mockups, and polished prototypes using tools like Axure and Figma, effectively communicating design concepts for client approval. Collaborated with developers to ensure smooth transitions between design and development phases and assisted in creating a design system to enhance workflow efficiency.
Performed usability tests and live user testing to gather insights, evaluate design effectiveness, and improve product usability.

Photography Assistant

Ouwliksies, Worcester
2015-01 - 2020-06

Supported photography shoots by setting up equipment, lighting, and organizing the shooting area. Streamlined workflow by maintaining and organizing photography equipment for quick access during sessions. Edited, toned, captioned, and uploaded photographs for publication while managing the studio schedule to accommodate a wide variety of subjects.
