About Me

Creative designer and visual storyteller with experience in branding, social media content, and video production. Skilled in crafting cohesive visual identities and marketing materials that connect creativity with purpose. Known for combining design, photography, and editing to bring ideas to life with clarity and emotion.

Work Experience

Creative Director & Lead Visual Strategist | 2022 – Present
Dodskilabs Studio

Provides branding, logo design, social media, and video editing services for clients across various industries. Handles every stage from concept to final delivery, ensuring visuals are strategic, cohesive, and aligned with each brand's identity.

Creative Designer | Jul 2024 – May 2025
Senja Solusi

Designed 100+ graphics and short-form videos for multiple clients using Adobe Suite. Created logos, branding, marketing flyers, photography and full video content production across industries, from concept to final edit.

Graphic Designer | Jan 2024 – Dec 2024
Cordoba (Remote)

Developed branding, logo, and packaging designs for a Middle Eastern retail brand. Built a cohesive and authentic visual identity for digital and print platforms.
