

Click, Apply, Regret: A Scam Survival Story

Did you know young adults are more likely than any other age group to fall for scams?

In this eye-opening session, we meet a bright college graduate who was targeted while job hunting. Follow her story from first contact to recovery. You'll learn how the red flags she recognizes with hindsight are common tactics used in countless other types of scam. This candid conversation will shed light on how scammers operate, who they target, and what we can all do to stay sharp. You'll learn how to protect yourself and the people you care about from scams. Whether you're hiring, mentoring, or just want to protect the people in your life, this session will help you recognize the warning signs before it's too late.

HONORARIUM

All funds received from speaking engagements are used to further the mission of the National Cybersecurity Alliance, minimum donation: $3,500.
