Note: Orion's rate table uses a Shoulder period (shown above) rather than a simple peak/off-peak split. The Weekend rate (4.50¢/kWh low user, 3.64¢/kWh standard) applies all day Saturday and Sunday.

Note: Super Off Peak (3:00 am – 5:00 am) currently has a \$0.00 rate for all residential categories.

Note: Low User eligibility: primary residence, annual consumption under 8,000 kWh. Low User daily charges reflect the Orion low user threshold. Standard User applies to all other residential connections.
