Purifying Clear Gel with WS SA50™

Our light, alcohol-free, fresh clear gel with WS SA50™ provides needed relief for those suffering from oily and acne-prone skin. The purifying gel that reduces sebum production, soothes sensitive skin, and repairs acne scars through fast absorption and non-greasy formulation. When manufacturing, it requires a cold manufacturing process.

WS SA50™
water soluble salicylic acid allows to formulate without alcohol and remove impurities without drying the skin.

Preservative-free | Not tested on animals | Not derived from animal origin | China compliant
