EXPERIENCE

Current Agency | UX / Web Designer

MAR 2025 - PRESENT

Designing and delivering user-centered web and digital experiences at Current Agency, improving usability, performance, and client engagement across multiple platforms.

Deloitte Digital | Project Lead

MAR 2025 - JUN 2025

Led the design of user-centered digital products for Deloitte Digital, leveraging research, wireframing, and prototyping to deliver an accessibility-focused UX framework that increased task completion from 55% to 85% in the final.

Deloitte | UX Lead

JAN 2025 - MAR 2025

Designed a VA-focused digital experience at Deloitte, increasing task completion from 62% to 85% by applying user research insights and iterative prototyping, resulting in the final strategy selected by stakeholders in the final.
