SUMMARY A professional Video Editor with 3+ years of experience. Skilled in all forms of editing from dynamic cuts to seamless storytelling, delivering visually compelling and polished content. Experienced in managing multiple projects, meeting tight deadlines, and collaborating with teams to consistently produce high-quality results that engage and connect with audiences.

WORK EXPERIENCE	Video Editor, Freelance	2021 – Present
	- Collaborated with a audiobook startup company (kuluko app) over the course of one month, working closely with the team to conceptualize, produce, and deliver 15 high impact social media videos. - Produced dynamic motion graphics videos, incorporating animated text, graphics, and visual effects to enhance storytelling and captivate viewers for local and international clients across diverse industries.	
	Video Editor (Tier 4), Rocketlister	2025-2026
	Created 100+ real estate videos, including MLS-style property edits, agent features, and social trend content. Consistently delivered polished, high-quality videos that met brand standards and client expectations. Progressed quickly through the team and reached the highest editor tier within 6 months.	
	Video Editor, TeamworkNY	2025-2026
	Created 150+ short-form food videos for Mediterranean restaurants in New York City, highlighting menu items, restaurant ambiance, customer experience, and social media-friendly food content designed to attract engagement and drive interest.	
	Head Production, nowfluence (Contractual)	2024-2026
	Responsible for leading the entire creative, graphics and social related contents. Managed end-to-end production workflows to ensure brand consistency and quality. Contributed to the UI/UX design of Nowfluence’s website and app, improving usability and overall user experience.	
	Senior Video Editor, RDR Business Solutions	2024-2025
	Promoted after 5 months from Podcast Preview Editor. Lead editor for full-length podcast episodes, trailers, and branded content. Manage storyline flow, revisions, and social media adaptations for a program with 2.4M+ Facebook followers.	
	Virtual Assistant, Sphere Rocket VA	2025
	Became a Virtual Assistant for Patrick Ferry, a Real Estate Business Architect, supporting his content creation needs by producing graphics, short-form videos, and long-form videos focused on sharing valuable knowledge, insights, and strategies about the real estate industry.	
	Shorts Video Editor, Market Maker Mgmt	2025
	Produced 15–20 short-form videos per day while also completing one long-form video per week, consistently managing a high-volume editing workload while maintaining quality, pacing, and brand consistency.	

EDUCATION	Bachelor of Science in Information Technology	2020-2024
	CUM LAUDE	
	Achieved the 6th overall rank among all graduates across the university.
