OUTLIVE

Embark on an exhilarating 9-day adventure through Northern Italy, blending the rugged beauty of the Dolomites with the cultural charm of historic cities. This experience kicks off in Venice, whisking you to Dobbiaco.

The Pusteria valley is an extremely scenic and relatively lesser crowded region of Dolomites. For five unforgettable days in the outdoors, we saunter on some breathtaking landscapes full of lakes, meadows, alpine slopes and a touch of easy bike ride glancing Lienz, Austria.

Later we will move down towards the more gentler lower hills and plains of Prosecco - the wine country.

All in all, this trip offers a Perfect outdoor gateway in the less busier corner of Italian Dolomites.
